

TASK FORCE ON AUTONOMOUS VEHICLES

Framing the Future for Autonomous Vehicles in Oregon

House Bill 4063, signed by Gov. Kate Brown on April 10, 2018, names ODOT the state's lead agency on automated vehicle policy (as recommended by NHTSA). It also directs ODOT to facilitate a task force on automated vehicles and report to the legislature with legislative recommendations by September 2018. Initially, the **Task Force on Autonomous Vehicles** will look into how autonomous vehicles intersect with issues including licensing and registration, insurance and liability, law enforcement and accident reporting, and cybersecurity.

Task Force Membership

Two Oregon Senators, to be determined

Rep. Susan McClain (D), Oregon representative
